Experience

Question 1:

Have you ever been an event organizer/manager/coordinator?

If **YES**, mention your challenges and role in it.

If **NO**, what has been stopping you.

Answer:

No.

Although I was selected as Core Committee member in ACM student Chapter and Smart Analyzer Student Chapter , but their way of operating and Management was not what I expected

Question 2:

What position have you held in the particular managerial role? Explain.

Answer:

Public Relations

Technical Committee

Question 3:

How many people have you supervised while holding your position?

Answer:

Situational Analysis

Assume the following situation:

Some out of station delegates are coming to visit your campus. You have been tasked to organise and manage their entire visit, ie, their travel, food, stay, etc.

Question 1:

Suppose you have single day to plan above situation, What will be your steps and plans for this situation.

Answer:

Question 2:

How would you do the above task differently if you have been given your chosen number of days?

Answer:
